IMPORTANT: You Do Not Need to Believe or Have Faith for your Raphael talisman to work its Angelic power.

You do not need to believe or have faith for a Circle of Raphael talisman to work. Some so called experts do claim the power of talismans depends entirely on the faith their owners place in them. However, this theory is totally disproved by experience; our talismans work just as well when their owners are sceptical or even unaware of their magical purpose. They succeed not merely because of the confidence they inspire, but because they are created by our own highly experienced master Adept, and encoded with, and animated by the holy angelic words of creation. Even if a talisman is simply worn as an unusual item of jewellery, its owner is guaranteed to receive a host of positive benefits & blessings that they would not otherwise experience. Unfortunately there are now people offering cheaply made, ineffective, un-empowered imitations of our talismans. Aware that their un-charged talismans are worthless, they do not dare offer a money-back guarantee. Imitations of our talismans are just that... imitations — unworthy of your money and your time.
